1 Contacts & Suppliers

Pushy

Application

Unit: Sales (dropdown) Cost-ID: 1.2.2002

AppName: Pushy-App CMDB-ID: 212002

AppKey: PA Supplier: (dropdown)

DisplayName: Pushy Contact: Steve Carney (dropdown)

Is Service Is Cluster Aware Contact: (dropdown)

Optionally add Suppliers and Contacts to Applications.

This information will be available in the QGrip CMDB under the tab Contacts for objects where you might want to send an email to all involved contacts:

Organisation	Units	Applications	Contacts	Contacts	Email	Contacts(Supplier)	Email(Supplier)
				Steve Carney	Steve.Carney@Griponsql.org	Jay Jansen	Jay@messy-solutions.com
				Steve Carney	Steve.Carney@Griponsql.org		

When you define Contacts, you should leave the Supplier empty for Internal contacts. Suppliers have separate columns in the Contacts tabs:

Supplier (dropdown)
Role: App Supports (dropdown)
Name: Steve Carney
Email: Steve.Carney@Griponsql.org

Supplier: Messy Solutions (dropdown)
Role: App Supports (dropdown)
Name: Jay Jansen
Email: Jay@messy-solutions.com

Organisation	Units	Applications	Contacts	Email	Contacts(Supplier)	Email(Supplier)
			Steve Carney	Steve.Carney@Griponsql.org	Jay Jansen	Jay@messy-solutions.com
			Steve Carney	Steve.Carney@Griponsql.org
